Travel Time: Approximately 45-60 minutes, depending on traffic conditions.

Estimated Cost:

Taxi: Expect to pay around RM 95 - RM 120 or more, depending on the taxi type (budget or premier) and whether it's during peak hours (surcharge might apply between midnight and 6:00 AM). Toll charges might be additional.

Grab: The fare can vary based on demand and traffic, but it might be in the range of RM 70 - RM 90 (excluding tolls). Check the app for an estimated fare before booking.
